CLOTHING OUR KIDS (COK) UPDATE – AUGUST 21
FOR THE THIRD YEAR, THE SEABROOK COMMUNITY HELD A CLOTHING DRIVE TO
HELP SUSSEX COUNTY STUDENTS START THE SCHOOL YEAR WITH NEW CLOTHES

CONTACT: kblouin@clothingourkids.com; (302)864-5537

COK's KIDS are once again the beneficiary of a Seabrook Community clothing drive. Clothing drives at the start of the school year are particularly helpful in ensuring that children feel good about learning with appropriate clothing, which results in improved self-esteem, increased school attendance, and diminishes bullying. Pictured are Seabrook's Malcolm and Joyce Macphee with COK School Liaison Heather Tschop who coordinated the event. For the third time, Seabrook Community's generous donation will have a positive influence in the lives of the Sussex County school children. Huge thanks to all who participated!
