CLOTHING OUR KIDS (COK) UPDATE – DECEMBER 30, 2024 SUCH A SWEET IDEA FOR OUR KIDS FROM THE CRIPPLE CREEK GOLF & COUNTRY CLUB NEIGHBORS IN DAGSBORO

CONTACT: kblouin@clothingourkids.com; (302)864-5537

We are duly impressed by the unique and charming fundraising idea that has benefitted our KIDS from the Cripple Creek Golf & Country Club on the Indian River Bay. For the second year, the Cripple Creek Neighbors held a Cookie Walk (not to be confused with Clothing Drive) and proceeds from the sale of their delights were donated to the Sussex County students in need.

Our friends at Cripple Creek baked an assortment of cookies to sell to each other and to the golfers coming off their course. They set tables between the 18th tee and The Clubhouse catching golfers when they needed a sweet treat. What a great idea and we encourage all communities who want to help our KIDS to host events such as this.

Thank you, Cripple Creek, with lovely organizers Dian Rubiera (l) and Diane Creager (r) presenting their \$1500 check to COK President Bob Blouin at The Center.
