CLOTHING OUR KIDS (COK) UPDATE – JANUARY 2, 2025 FOUNDERS MARY AND JOHN RIO REPRESENT COK AT A WINTERFEST HOSTED BY TWO LAUREL SCHOOLS

Laurel Elementary and Laurel Intermediate Schools hosted their sixth annual Winterfest with the 2024 theme: "Walking in a Winter Wonderland". During the event crafts, games, snacks, caroling, a silent auction, a Blizzard Bonanza and vendors were all offered. And even SANTA made an appearance! Awesome trees, wreaths, and gift baskets had been raffled and auctioned. Vendors were available to help attendees finish their holiday shopping. Proceeds from the Winterfest benefit both schools.

COK was extremely fortunate to have Founders Mary and John Rio (pictured) represent the Sussex County students in need, ensuring all were aware of the services offered by the organization. The Rios stated: "We were so honored to be included in this wonderful event which had a HUGE turnout. It was so much fun with many activities for the kids in attendance". They were joined by COK School Liaison Lisa Conley and distributed "Crazy Socks" from their table.
