CLOTHING OUR KIDS (COK) UPDATE – JANUARY 2, 2025 LONG NECK METHODIST CHURCH KEEPS STUDENTS WARM AS THEY VENTURE OUT TO CLASSES THIS WINTER

CONTACT: kblouin@clothingourkids.com; (302)864-5537

Since school started in September 1,756 students in Head Start through Middle School have received 17,120 new items of clothing from Clothing Our Kids (COK). That's a record for the Fall semester with the COK Borges Center filling orders earlier than ever before.

Clothing Drives enable COK to provide new clothing for the Sussex County students in need. As in past years, Long Neck Methodist Church hosted a Holiday Clothing Drive through their Giving Tree. Pictured is Lynn Splittorff who coordinated the church's Clothing Drive and is a dedicated Volunteer for COK serving on the Special Events Committee. COK has a lot of work to do in offering an opportunity for every child to achieve excellence. Through generous donations from Long Neck Methodist Church and other supporters we are provided with the necessary tools to accomplish that important work.

For information regarding Clothing Our Kids (COK), or to donate, please go to www.clothingourkids.org. Kindly pass on the good work of COK by sharing this Update and liking our Social Media posts with your family, friends, neighbors, and colleagues.
