Clothing Our Kids (COK) is extremely blessed with over 100 dedicated Volunteers – there are no paid Staff. One such Volunteer is Cathy Showell pictured below. Besides being the long-serving liaison and direct contact between all the Sussex County Schools and the Borges Volunteer Center, Cathy coordinated a Clothing Drive in the White House Community where she resides.

The Mission of COK is to improve the lives of at-risk Pre-K, Head Start, Elementary, Middle, and High School children by providing them with appropriate school clothing. In Sussex County many children do not have essential school clothing which has a direct negative impact on their self-esteem, their school attendance, their ability to learn, and can lead to bullying. It is COK's goal to assist these youngsters with an equal start in their early education and now through High School to help them become successful students.

To accomplish this Mission COK is grateful for the many people who coordinate Clothing Drives in their communities throughout Sussex County. These events do have a real impact on the students in need, so kindly consider hosting a Clothing Drive with your neighbors. COK Volunteers can help with those efforts. Cathy, thank you, for all you do for our KIDS.
