COK is always excited to receive a call from Kim Simpson, organizer of the Bay Pointe Community Angel Tree. This annual December event has been a wonderful resource to COK in receiving new clothes for the students of Sussex County. This year Bay Pointe collected socks, underwear, jeans, tops, sweatpants, hoodies, pajamas, hats, and gloves – PHEW – as well as a very generous monetary donation.

COK's gratitude is as immense as Bay Pointe's generosity! Pictured below are Kim Simpson and Mary Praschil with the bounty of new clothing.
