CLOTHING OUR KIDS (COK) PRESS RELEASE – FEBRUARY 19, 2025 BIG FISH DOESN'T JUST SERVE EXCELLENT FOOD BUT SERVES THE NEEDS OF SCHOOL STUDENTS AS WELL

Contact kblouin@clothingourkids.org

If you enjoy a great meal, we all know that Coastal Delaware is full of terrific restaurants. One of the most popular and delightful places to dine is Big Fish on Route 1 in Rehoboth. They are not just delicious providers of food, but they nourish those in Sussex County in other ways as well. COK was contacted by Mary Beth Phillips, Marketing Manager at the Big Fish Headquarters, offering a Dine and Donate to benefit our kids. The Dine and Donate Program provides a percentage of proceeds from patrons dining at their exceptional restaurant. Big Fish designated January 28 to help COK purchase new school clothing for students in need through that program. They also encouraged participants to bring along new clothing to donate. The total from the night's service was over \$1,200. We thank our hosts at Big Fish, those who dined and donated, and COK Volunteers Michele Rogers and Monica Anthenelli who managed the event for the organization.

The Big Fish Team shares a love of great food and provides genuine, warm, and welcoming hospitality to their guests. They strive to continually exceed expectations. Big Fish takes care of the neighbors who take care of them and support the community. Clothing Our Kids and the students we serve are immensely grateful for the generosity of the folks at Big Fish Grill.
