One of Rotary International's programs is providing funding to make the world a better place. District grants fund activities that address needs in their community. Clothing Our Kids (COK) has been privileged to be the recipient of several grants over the years by our local Lewes-Rehoboth Rotary Club. This year the Club awarded a generous \$3,500 grant to the disadvantaged students in Sussex County who need it the most. COK has provided hundreds of thousands of clothing items so that kids can reach their full learning potential without being ashamed of their attire.

Pictured below is Lewes-Rotary Club President Katie Millard presenting the donation to COK Volunteer Peter Thomas. Peter advised the group that their money goes to essential clothing to ensure students thrive and has a significant impact on providing them with brighter futures. COK is extremely appreciative of all Rotarians who work so hard to raise funds all year round.
